Important Notes

- This pairing scheme is compiled from the official PCTB-issued pattern for exam guidance only. Total marks: 50 (MCQs 10 + Short 24 + Long 16).
- This year's paper follows the SLO-based pattern, so it may differ slightly from previous years; about 90% of this scheme is expected to hold, Insha'Allah.
- The scheme is prepared with Punjab boards in mind. Prepare chapters 1–6 fully rather than relying on the scheme alone.
