Important Notes

- This pairing scheme is compiled from the official PCTB-issued pattern for exam guidance only. Total theory marks: 50 (MCQs 10 + Short 24 + Long 16).
- Chapter 4 (Arrays and Loops) and Chapter 5 carry heavy short-question weight, so cover them thoroughly.
- The 2025 paper follows the SLO-based pattern, so it may differ slightly from previous years; about 90% of this scheme is expected to hold, Insha'Allah.
- The scheme is prepared with Punjab boards in mind. Prepare all chapters fully and cross-check with your own board.
