Important Notes

- This pairing scheme is compiled from the official PCTB-issued pattern for exam guidance only. Total theory marks: 85 (MCQs 17 + Short 44 + Long 24).
- The 2025 paper follows the SLO-based pattern, so it may differ slightly from previous years; about 90% of this scheme is expected to hold, Insha'Allah.
- The scheme is prepared with Punjab boards in mind. Prepare all chapters fully and cross-check with your own board.
